Miami, FL., September 19, 2011 – Best Image Optical Inc. is solidifying its retro reputation by adding more retro quality eyewear to its Dolabany Collection. For years, the Dolabany Collection has been in the forefront of producing retro eyewear taking inspiration from the 1940-1960's. Now, as retro eyewear continues to find its place in the eyewear world, Best Image Optical continues to support its retro collection with additional vintage inspired frames found in a variety of colors. One of the biggest inspirations in most of the new releases debuting as part of our fall/winter collection is the cat-eye design made popular during the 1950-1960's by Marilyn Monroe, Barbara Windson, Dinah Manoff, Mary Whitehouse, Amy Lane, and others. Photos of our new releases will appear in the coming weeks at www.dolabanyeyewear.com and www.bestimageoptical.net.
