Miami, FL., September 19, 2011 – Mario Galbatti, the eyewear collection manufactured by Best Image Optical Inc, is releasing two (2) new frames as part of our new fall collection: MG 146 and MG 147. The MG 146 frames bring back the vintage cat-eye look in our new retro-chic release. The design concept behind the MG 146 is to recreate vintage eyewear fashion without sacrificing any modernization. The MG 147, a rimless and Stainless Steel frame brings another modern design to our collection. When designing the MG 147 additional attention was given to the temple design and color. Photos will be posted on [www.mariogalbatti.com](http://www.mariogalbatti.com) and [www.bestimageoptical.net](http://www.bestimageoptical.net) very soon.

### New Releases:

MG 146 - Three (3) Colors: Olive, Wine, and Brown  
Size: 50-18-140

MG 147 - Three (3) Colors: M. Gun/Auburn, M. Brown/Olive, M. Purple/Fuchsia  
Size: 51-18-140  
Metal: Stainless Steel

### About Mario Galbatti:

Mario Galbatti delivers plenty of pop this time around with influences from the 1940's to the 80's. By blending modern edge and chic eyewear fashion into our design, you will get something we like to call Retro-Chic Eyewear Fashion. Mario Galbatti is a distinctive, fashion forward, upscale frame designed for those Men and Women who want to channel pure confidence. This collection has a perfect balance between luxury and casual, retro flare, and yesteryear styling. It features colorful and inspiring temples, impeccable details, and boastful colors.

The manufacturing materials for our frames vary. Some are made out of Zyl to achieve beautiful colors and be extremely lightweight. Others are made with Stainless Steel Metal which allows frames to be light weight but durable. One other popular material used on Mario Galbatti frames is TR-90 which allows maximum flexibility to the user while maintaining a high quality design. The Retro-Chic Era of Mario Galbatti is versatile and can be used to achieve different fashion looks while always maintaining a high standard of functionality and excellence.
